ABOUT COMPANY

Burger Bhau was founded on 23 April 2022 by Sushil Agicha, who started the brand right after completing his 12th board exams at just 18 years old, with an initial investment of only ₹10,000. What began as a small venture driven by passion and hard work has now grown into a fast-rising food brand with 18+ outlets across Gujarat and 3 new ventures. From day one, Burger Bhau has focused on delivering irresistible taste, consistent quality, and a premium experience—while keeping prices so affordable that no competitor can match us. Today, we proudly serve thousands of loyal customers who trust our flavour, freshness, and friendly service.

MISSION

To provide delicious, high-quality food that blends outstanding taste with exceptional service. We aim to create a welcoming experience where every customer feels valued, while offering premium flavours at prices that remain accessible to everyone.

VISION

To build a long-lasting legacy of Burger Bhau, where people choose us not just for affordability but for our distinct taste, premium service, and memorable dining experience. We envision becoming a trusted, nationwide brand known for innovation, quality, and unmatched value in the quick service food industry.
